Weihai Yuanji Outdoor Products Co., Ltd.

RTI® Introduction

RISING TECHNOLOGY INNOVATION

Since our establishment in 2010, Weihai Yuanji Outdoor Products Co., Ltd. has built a strong reputation as a trusted OEM manufacturer for top fishing tackle brands. We specialize in delivering high-performance fishing tools including electric fillet knives, fishing pliers, fish grip, hook remover, scissors, line cutter, landing net, air pump, etc.

Why Choose Us?

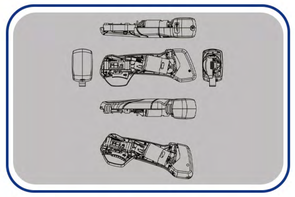

- **Innovation-Driven Manufacturing:** With a dedicated R&D team, we have over 40 patents for key products including fish grippers, electric knives, rod holders, etc, ensuring your brand stays ahead in market competitiveness.
- **Advanced Production Capabilities:** Our factory features state-of-the-art CNC machining centers, CNC lathes, and in-house mold design and injection molding facilities, enabling precise control over quality and efficient customization.
- **Proven Quality Excellence:** We combine cutting-edge technology with strict quality management to produce fishing tackles that meets the highest standards of durability, functionality, and user satisfaction.

At RTI, we are more than a supplier – we are your strategic partner in creating products that anglers trust. Let’ s work together to bring innovative and reliable fishing solutions to the global market.

We can customize products according to your requirements

Firstly, please tell us your idea, about the functions, sizes, appearance etc.

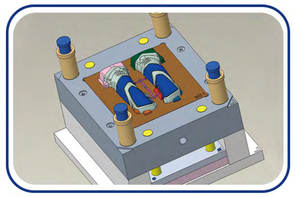

Then we will provide the 3D drawing.

Upon 3D drawing approved, we will provide you prototype for actual experience.

Let us improve the drawings and make prototype again till you satisfied with it.

Upon prototype approved, we will start to open molds and toolings.

We will prvide pre-production sample for your final approval.

Enjoy good sell.

Let us make the products perfect together!
